Team Highlighted Best Game Player: JustModding Pahora-Pahora By Keesh-Keesh The Greatest Player In The World (GTA on Android) With GTA: SA on Android already out, we thought it would be a good idea to pick out the best and the brightest of the young generation of players! About Team Highlighted: All players are picked for several reasons. Firstly, we chose the players that added a level of entertainment to the game. The players are then selected for one of the two reasons: Best game player The best player performs at a level that is far above the average player in GTA:SA, giving the player a higher experience earning potential. Best Player By Grade: Secondary to the Best Player, we award the player who performed the most throughout the game, allowing you to see how far players have progressed. The 'best' player will go further than the 'best player by grade' player. Best Player By Memory: Finally, to try and find one player in particular, the player that owns us all: The player that was most present and active during matches, may be the one who plays the most matches, or the player who experienced the most rage during a game, but we can never be sure!
